The Zummo Juicers Pty. Ltd. Warranty.

Zummo Juicers Pty Ltd warrants its machines for a maximum of 3 years.
(Check the specific terms and conditions for each model).

The warranty comes into force from the date on which the machine is delivered to the customer, subject to the following terms:

- This warranty covers all defects in materials and defects incurred during the manufacturing process.
- Should the machine show any defect during normal usage within the period covered by the warranty any defective part will be repaired or replaced free of charge.
- The warranty will only be valid upon presentation of the original purchase invoice.
- Warranty applies to original purchaser only.
- Repairs to or replacement of parts during the period covered by the warranty does not imply any extension to the warranty's expiry date.
- Original replacement parts are warranted for the period of the warranty agreement.
- Any repairs not authorised by Zummo Juicers Pty Ltd during the warranty period will cause immediate termination of the warranty.

This warranty does not cover:

- Any damage due to the incorrect installation, abuse, misuse, alteration, accident or negligence.
- The scratching of any plastic pieces due to the use of abrasives or sharp instruments or misuse.
- Any damage caused by unauthorised repairs, people or materials.
- Water ingress causing fault with the computer control board or any electrical components.
- Any damage to metal or plastic components caused by corrosive chemicals, solvents, heat, steam or hot water.
- Parts subject to normal wear and tear including blade, squeezing cups and domes, squeezer tray, pulp scraper filter, faucet silicone seat cup.
